

# LANGUAGE COURSE IN ENGLISH for school students

After many years of successful Swedish language summer courses, we are now offering the opportunity for students to improve their English with an intensive English course during the summer.

The course will provide a good grounding for students considering high school studies in English. At the completion of the course students may elect to take the entrance exam for either the Pre-DP (preparatory year) or the DP1, the first year of the IB (International Baccalaureate) Diploma Programme held at the school. The course emphasizes schoolwork in English in a variety of different subjects, giving the students a broad exposure and application of English language skills. Classes take place mainly in the mornings and include three lessons per day plus homework. The afternoons are devoted to excursions, sports and recreation, such as golf, tennis and swimming.

Our experienced youth leaders conduct excursions and activities in the beautiful area in and around Gränna, one of Sweden's most popular tourist destinations. Included on the schedule is a medieval excursion to the beautiful island of Visingsö including archery and axe throwing. As usual there is also the much appreciated outing to Gothenburg and the Liseberg amusement park.

The course is intended for students in the ages of 14 to 17. Our staff have a long experience of expatriate students and their unique situation and will see to it that they are being well taken care of.

The coursefee includes tuition, literature, accommodation, excursions, extra curricular activities and insurance.

We look forward to receiving your application!
